

**Statement of Disclosure
Financial Conflict of Interest
Rochester Community and Technical College**

Name of Principal Investigator/Project Director (PI/PD): _____

Funding Agency: _____

Title: _____

Project: _____

Check the appropriate box pertaining to each question.

1) Are you or your spouse or domestic partner or any dependents (children or other relatives residing at the same address as the PI or PD) an officer, director, partner, trustee, employee, advisory board member, or agent of the external funding agency/organization from which goods and services will be obtained under the sponsored project? (If yes, please provide details in a separate document)

Yes No

2) Are you or your spouse or domestic partner or any dependents the actual or beneficial owner of more than five percent (5%) of the voting stock or controlling interest of the external organization funding this sponsored project or any external organization from which goods and services will be obtained under this sponsored project.

Yes No

3) Have you or spouse or domestic partner or dependents derived income within the past year, or do you or any member of your immediate family, anticipate deriving income exceeding \$10,000 per year from the external funding agency/organization funding this sponsored project or any external organization from which goods and services will be obtained under this sponsored project? (If yes, please provide details on a separate document)

Yes No

4) Do you have significant financial conflicts of interest with the organization to which you are applying that you would like to make known to the conflict of interest reviewers? (If yes, please provide details on a separate document)

Yes No

Certification

I have read and understand the Rochester Community and Technical College Conflict of Interest Policy for External Funding pertaining to grant proposals; have made all financial disclosures required by the policy; will comply with any conditions or restrictions imposed by the institution to manage, reduce or eliminate actual or potential conflicts of interest should I decide to proceed with this project; and will make the Rochester Community and Technical College Grants Office and Business Office aware in writing of any new financial conflicts of interest that arise during the period of the award, should such an award be received.
